DORMANT ACCOUNTS

Credit Union accounts are considered dormant when there has been no activity or contact with the Credit Union for 2 years. The Credit Union has to pay maintenance fees on these accounts despite the fact that there has been no activity. The maintenance fee on dormant accounts with balances of \$200 or less is \$5.00 per month to help cover the cost of maintaining these accounts.

Please keep in mind that if an account remains dormant for 3 years, the state of Pennsylvania considers the money in the account to be Unclaimed Property under the Escheat Law. At that time, the Credit Union is obligated by law to forward the money to the state. Due to all costs involved, the Credit Union will assess a \$50 Escheat Fee against the account before remitting the balance to the state of Pennsylvania.
