DORMANT ACCOUNTS

Credit Union accounts are considered dormant when there has been no activity or contact with the Credit Union for 2 years. The Credit Union has to pay maintenance fees on these accounts despite the fact that there has been no activity. Therefore, effective November 1, 2010, the Credit Union will begin assessing a \$2.00 per month maintenance fee on dormant accounts with balances of \$200 or less to help cover the cost of maintaining these accounts.

Please keep in mind that if an account remains dormant for 5 years, the state of Pennsylvania considers the money in the account to be Unclaimed Property. At that time, the Credit Union is obligated by law to forward the money to the state.

TAKE A MOMENT!

The credit union needs to have your most current information. Please take a moment to make sure we have the correct address, telephone number, and joint owner listed for your account.
