GAP INSURANCE

If your vehicle is stolen, accidentally damaged beyond repair, or otherwise declared an insured total loss, your auto insurance company usually covers the replacement value. However, there may still be a gap in your loan balance not covered by the insurance settlement. This can amount to thousands of dollars.

With Guaranteed Asset Protection, **your remaining loan balance could be paid in full**, saving you months of payments on a vehicle you no longer own. You can add the coverage to any car financed with Alcose Credit Union. Please contact us for a quote.
